THE LOCAL

A DOG COLLAR WITH A TWIST

All our bow-tie collars are handmade in West London using the highest quality fabrics and close attention to detail. Each collar is lined with heavy weight webbing, reinforced with double stitching for durability, and side release buckles for comfort and ease of use. All bow-tie collars include a movable and removable bow tie that is secured to the collar with two elastic fabric bands. The bow-tie attached is made to match the size of collar that you order for your dog. Matching leads are sold separately.
